	The State of the European Economy	The Power of Law: Legal integration in the EU		EU Enlargement Policy and Europeanisation	Memory & Conflict in Eastern and South-Eastern Europe		
		Climate change in EU: policy and politics		European Cultural Policy	Multilateral Diplomacy in Europe		
		Building a Digital Europe: critical reflections on the digital turn in the European Union		Religion, violence and conflict resolution	Climate lab		
Free electives (1 st semester)			EU Policy Lab	The Global South and Russia			
	Europe and its Discontents: a political history of anti-liberalism	Facing Srebrenica: Representing genocide in contemporary Europe	Ukraine – Battleground for a new Europe?				
	Intimate Politics: Culture and subjectivity in Soviet and post-Soviet Russia		From Moscow, with love? Russia's disinformation activities on social media				
			Which lives matter? Narratives and experiences of humanity and 'human' rights in Europe				

European Policy offers:

European Policy offers comprehensive knowledge of **policy fields and policy making processes**;

A **unique combination** of political science, law, history, anthropology, philosophy and geography: A **multidisciplinary** and **international** learning environment in a vibrant and active city;

European Policy combines **theoretical and practical skills** in order to let you become a European policy expert in national, international and European affairs;

Elective packages on either **External Relations or Legal and Economic Policies**;

Opportunity to join **Intensive policy lab** in the second semester with a weeklong **policy field trip** elsewhere in the EU or Europe;

Optional extension with **internship programme** in order to let you network on the labor market (extends program to 80 ECTS distributed over three semesters).
